Dear Fellows of Underearners Anonymous,

We are urgently appealing to the fellowship for 7th tradition contributions. Please immediately announce the 7th tradition at all meetings and inform your group that our fellowship is at a critical stage and will be unable to pay our bills without reallocating monies from the WSC fund.

Donations can be sent via the [UA website](#) under the donations tab or send a check or money order by mail to: Underearners Anonymous
P.O. Box 1839
New York, NY 10163-1839

Donations have drastically diminished and UA will be unable to pay for literature printing, accounting services, special office workers, and website maintenance from the end of this month.

We need \$1325.00, at minimum, to pay for these services ... this month and every month through October 2024.

This covers:

Special Office Worker - \$750.00
Accounting and Bookkeeping Consultant - \$300.00
Webmaster and maintenance - \$250.00
USPS average fees are \$20 - 25.00

If your group is holding funds, donating to other groups or you have been meaning to donate soon, this is your chance to speak up and contribute.

Your trusted servants of the General Service Board,

Clara T, UA GSB Chair, and Treasurer
John A, UA GSB Class A Trustee, and Calendar Keeper
Toni T, UA GSB Class A Trustee, and First Responder
